# Honoring Our Rivers: A Student Anthology

A project of the

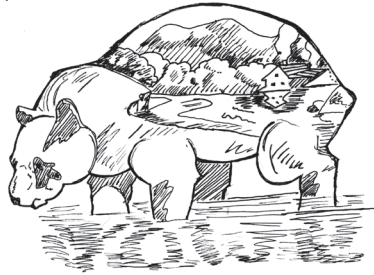

Showcasing exceptional literature & artwork by students & guest contributors living within Oregon's Watersheds and beyond!

Designed to nurture respect & appreciation for the water, land, plants, animals & habitats that make up our beautiful and vital river systems.

"...the river runs tirelessly through the night. It knows the secrets of the ancient oaks, it hears the whispers of the gentle night breeze."

*Darya Mojab 6th Grade, 2011*

*Ashley Swartwout 8th Grade, 2004*

"The river at night sparkles like glitter on a painting."

*Morgan Franks 1st Grade, 2011*

### Order Your Free Watershed Toolkit

Toolkits include educational information on Watersheds, a previous edition of Honoring Our Rivers and supplemental curriculum materials designed to assist educators in meeting State standards in science & writing. Digital toolkits are also available on our website.

## Sponsors

Founded in 1911, the Eugene Water & Electric Board is Oregon's largest customer-owned utility. For over 100 years, EWEB has recognized that the health of our river systems is vitally important to the economic and environmental success of our community. To learn more, visit [www.eweb.org](http://www.eweb.org)

A family of companies with a diverse range of activities: agriculture, urban planning and development, watershed restoration and international ventures. All share a common commitment to sustainability and programs that benefit children and the environment. [www.wildwoodco.com](http://www.wildwoodco.com)

The Bill Healy Foundation is committed to responsible grant making through thoughtful choices. We recognize the fragile interdependence between the environment and human beings. The foundation has chosen two points of focus: Environmental Conservation & the Well Being of Children. [www.billhealyfoundation.org](http://www.billhealyfoundation.org)

Clean Water Services is a water resources management utility committed to working in partnership with others to build a sustainable future for Oregon's Tualatin River Watershed. [www.cleanwaterservices.org](http://www.cleanwaterservices.org)
